

computing - Bug #2074

gmetric not installed on all ibmcluster nodes

29/05/2012 16:43 - Jonathan Barber

Status:	Closed	Start date:	29/05/2012
Priority:	Normal	Due date:	
Assignee:	Jonathan Barber	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Missing on: node24.fe.up.pt node25.fe.up.pt node26.fe.up.pt node27.fe.up.pt node28.fe.up.pt node29.fe.up.pt node30.fe.up.pt node31.fe.up.pt node32.fe.up.pt (possibly also on node23 + node20 - down ATM) TODO: Install ganglia, instructions here: http://csys.fe.up.pt/wiki/doku.php?id=hpcgrid:admin:ganglia			

History

#1 - 29/05/2012 16:56 - Jonathan Barber

No init script installed with "make install". Seems to be one under "gmond/gmond.init" in the source.

#2 - 29/05/2012 17:33 - Jonathan Barber

Copied init script to each node under /etc/init.d/gmond and added:

```
chkconfig --add gmond
service gmond restart
```

Now all ibmcluster nodes are reporting to ganglia.

#3 - 29/05/2012 17:33 - Jonathan Barber
